

The Bullwheel

January 3, 2025

Happy New Year,

WOW what a difference a year makes. We've had copious amounts of snowfall to stimulate interest over the holiday period. We've been fortunate enough to open 100% of our terrain and operate all lifts which has been a blessing considering the increase in visits. Our on-snow experience is exceptional, our staff shout outs have been exceptional, which means we've been seeing a lot of Schweitzer Difference cards.

I cannot say enough about the way we/you handled the crowds over the holiday period. I believe that we had record days in Retail/Rental as well as a handful of our F&B outlets. Congratulations on an exceptional job as we continue to develop another group of "Raving Fans".

SCHWITZER DIFFERENCE WINNERS (Don't know what this is? Ask your manager about the Schweitzer Difference program!)

Congratulations to Roger Nicholson (Snowsports) and Valeria (Lodging) for being winners of the Schweitzer Difference!

Roger heard people yelling that someone needed help and quickly jumped in to assist a skier who had found themselves headed down toward a creek, he pulled her out to safety. Valeria received about a million guest comments for being extraordinarily helpful, welcoming, and being "one of the nicest employees I've ever met". Thank you!

[Great job! Come to Mr. Chasse's office to claim your prizes.](#)
